THE NAGPUR’S CAFE CARTEL

Four cafes. Four moods. One family behind the experience.

Owned by the Jaiswal family, The Nagpur’s Cafe Cartel brings together four cafes, each with its own personality, atmosphere, and reason to visit. Whether you’re looking for a calming escape, a place to reconnect with friends, or a quick bite between plans, there’s a different mood waiting at every stop.

MATRA CAFE

A personal favourite of SV, Matra is defined by its calming atmosphere and subtle connection to nature. It’s a place to slow down, take a breath, and enjoy a little stillness amid the pace of everyday life.

THE JACOBS

Built around friendship and easygoing company, The Jacobs brings a distinctly Goan vibe to the cafe experience. It’s the kind of place made for conversations that linger, shared laughter, and spending time with your people.

RACHEL’S CAFE

Designed for people on the move, Rachel’s Cafe is ideal for a quick bite, a short pause between commitments, or a little time to yourself when the day is moving fast. It offers a convenient stop without asking you to put the rest of your day on hold.

APKI DULARI

Apki Dulari is part of the family’s cafe collection. Its distinct atmosphere and character can be presented here once its defining vibe or signature experience is confirmed.

OOGWAY'S ACKNOWLEDGEMENT

THE CHUG · A BIERGARTEN WITH MORE THAN A GOOD POUR

The Chug is a biergarten built for good food, great drinks, and conversations that stay with you. With a strong focus on beer and mead, the venue offers more than 30 taps, making it a destination for those who enjoy exploring what's on the pour.

But what truly sets The Chug apart is the people behind it. Founders Ankit and Ritika bring their own fascinating life experiences to the table. Spend time talking with them and each conversation seems to leave you with a fresh perspective—almost as if you've walked away a little more enlightened than when you arrived.

"Sometimes, the best thing on the menu is the conversation."

The Chug is for those who come for the food and drinks, but stay for the stories, the company, and the unexpected wisdom found along the way.

FARRO · A CHILDHOOD DREAM, REALISED IN THE DETAILS

Farro is a restaurant born from a dream. Since childhood, its chef had imagined opening a place just like this—and Farro is that vision brought to life. The result is a fine-dining experience for people who appreciate not only exceptional food, but also the thought and care that shape every part of a meal.

At Farro, attention to detail is more than a finishing touch; it is part of the experience itself. You can see it in the menu, feel it in the way the staff engage with guests, and hear it in how thoughtfully each dish is explained. The team doesn’t simply present the food; they invite you to understand it.

For guests who love fine dining and notice the little things, Farro offers a reminder that a dream becomes remarkable when every detail is given its due.
